## PALHEIRO NATURE ESTATE DOG CHARTER:

At Palheiro Nature Estate, we love our furry friends and welcome them to explore the estate alongside their owners. To keep pets and guests happy, we have established this dog charter.

**By bringing your dog to Palheiro Nature Estate, you agree to abide by the following guidelines:**

- 🐾 **Leash and Control:** All dogs must be always kept on a leash while on PNE. Dogs must always be under the control of their owner or handler to prevent any disturbance or harm to wildlife, other guests, or property.
- 🐾 **Dog Waste:** Dog waste must be picked up and disposed or alternatively flick it with a stick into the undergrowth. Please help us keep PNE clean and healthy for all guests.
- 🐾 **No Aggressive Dogs:** Any dog that exhibits aggressive behaviour towards people or other animals will not be allowed at PNE. If your dog shows signs of aggression, please keep them away from other guests and residents.
- 🐾 **Barking:** Dogs that excessively bark or disturb other guests' peace and quiet will not be tolerated.
- 🐾 **Respect for Wildlife:** Dogs must be kept away from wildlife and not allowed to chase or harm any animals at PNE.
- 🐾 **Dog-Friendly Areas:** Dogs are only permitted in designated dog-friendly areas of PNE. These areas include the designated dog walking trail from Palheiro Golf to Casa Velha Hotel, the Tea House and the outdoor seating area of the Palheiro Golf Clubhouse. Dogs are not permitted in the clubhouse building, the golf course, or the pool areas.
- 🐾 **Vaccinations and Health:** All dogs must be up to date on vaccinations and in good health to be allowed on the estate. Owners are responsible for their dog's behaviour and health while on PNE.
- 🐾 **Guide dogs** are welcome in all areas of PNE.
- 🐾 **Stray dogs** must be reported to the local authorities (Causa Animal do Funchal: 291 211 083) who will follow up with their own procedures.
